To the Editor: April 1st is Election day!

We believe Justice Louis Butler is an outstanding member of the Wisconsin Supreme Court and encourage Wisconsin Citizens voting to keep him on the Wisconsin Supreme Court in the next Tuesday's April 1, 2008 primary election. Unfortunately most Wisconsin Citizens fail to participate in the primary elections, many know nothing about them and the paid media (ads) is dominated by big money interests that seek to buy their Supreme Court Justice.

Therefore it is essential that all of us speak out for Justice Louis Butler and encourage as many people as we can contact to get out and vote in next Tuesday's primary for Supreme Court.

There are many local candidates for local office in the this primary and it is essential that people get out to vote for the local person they feel best qualified to fill those positions.
 Our best to you all and be sure to speak out and get people to vote.
